Questions: Call Customer Service at 888-329-3436

34"
Black
PVC
Post

Note:
"F" ships with FJ-SSUMB10
Safety Sign System
and FJ-Standard10 – Standard Set Up

18"
or
24"
Sign
Mount

Step 1

Slide Sign Mount Arms into position on Sign Mount. See Figure 1.

Step 2

Slide the 34" black pvc post (F) up into the Sign Mount (E) and tighten 1" from the top of the pvc post.

This position will allow for the Signs to sit 6' off the ground. See Figure 2.
